MISSION STATEMENT

The American Baccalaureate School is a non-profit K-12 school offering a challenging bilingual curriculum enabling students to achieve their fullest social, intellectual, emotional and physical potential. Our intellectual community teaches Islamic values and good manners. We are dedicated to academic excellence, personal responsibility, and creative collaboration and critical thinking.

INSTRUCTIONAL GOALS AND OBJECTIVES

The curriculum has been developed to provide a rigorous, challenging, and consistent program that captures students' interest and prepares them for a lifetime of learning. The entire academic program is designed to build strong foundations in English and Arabic reading, writing, and speaking. We emphasize critical thinking, problem-solving and study habits within the context of the subject matter. Accelerated sections in mathematics and English language provide advanced opportunities for students with greater facility in these subjects.

Reporting based on the curriculum helps teachers to adjust instruction and provides parents with a clear understanding of their child's progress.

We provide a caring and supportive classroom environment in which students are encouraged to develop independence, respect for others and a sense of responsibility for themselves. It is our goal to maximize each student's potential and to prepare them for their role in an ever-changing global community.

PROMOTION POLICY

Middle School

Students passing all core subjects (English, Math, Science, and Arabic) will be promoted to the next grade level. 8th graders who meet these requirements will receive a diploma.

Students who fail three core subjects, or both math and English, will be required to repeat the grade. They will also be on academic probation for the entire year and their re-registration will not be approved until June. If the student should fail one or more core subjects again, he/she will not be permitted to re-register at the American Baccalaureate School.

Students who fail English or math will be required to re-take and pass the course during the summer through Oxford Learning or another American Baccalaureate School approved summer program. Students who pass all approved courses with a 70%, will be promoted unconditionally. If a student fails the summer course, he/she will be placed on academic probation for the year, required to complete an approved tutoring course after school hours until caught up academically, and will not be approved for the next year's re-registration until June.

8th grade students follow the same rules as above with diplomas being held until successful completion of the summer course(s).

High School

Promotion decisions will be determined on an individual basis based on the successful completion of all required coursework for graduation.

DIPLOMA PROGRAM

The American Baccalaureate School's high school program is designed to prepare students for college and university admission. The high school program culminates with a diploma recognized by the Kuwait Ministry of Education and the Division of Private Education.

CLASS STANDING

Minimum requirements are:

Sophomore:	6 credits
Junior:	12 credits
Senior:	18 credits

Transfer students who have received credits from other schools will have those credits evaluated in relation to the standards and requirements of the American Baccalaureate School. This evaluation may include testing and interviews with the appropriate teachers and administrators.

EARLY GRADUATION/CLASS LOAD

The American Baccalaureate School does not permit early graduation. All students attending the American Baccalaureate School must take a full load of courses even if a student has earned most of the credits needed for graduation.

GRADE POINT AVERAGE (GPA)

The American Baccalaureate School computes a year-by-year grade point average (GPA) for students as well as a cumulative GPA for the purposes of university admissions criteria.

REPORT CARDS

Report cards are issued at the end of each academic quarter. The specific dates are published on the school calendar. Parents are encouraged to contact the specific teacher or the school counselor in an effort to work together to improve a student's performance. Grades for all subjects can be checked 24-hours a day on the American Baccalaureate School's website (www.abs.edu.kw). Grades are continuously updated. It is the responsibility of students and parents to check this weekly and be updated with the student's academic status at all times.

HONOR ROLL

The Honor Roll is published at the end of each semester. Honor Roll distinctions will be awarded based on the following semester grade categories. In addition, the student must not have an "Incomplete" nor any grade lower than a "C":

High Honors.....	3.76 – 4.00 GPA
Honors.....	3.45 – 3.75 GPA

ACADEMIC PROBATION

If a student's grade point average (GPA) falls below a 2.0 at the end of a grading period, the student will be placed on academic probation. The student will remain on probation until the GPA reaches the minimum 2.0. Once placed on probation, a conference will be held with the parents to develop a suggested improvement plan. The student must make progress toward the plan or an alternative school may be recommended. Progress will be monitored on a quarterly basis. A recommendation concerning the student's future stay at the American Baccalaureate School could be made at any time during the quarterly review process.

Academic Assistance

Students failing more than one class will be reviewed by the student improvement team on a quarterly basis. Students in need of academic assistance may be required to attend tutoring, teacher office hours, or may be pulled from electives to receive remediation in their subjects with low grades.

EXTRA-CURRICULAR ELIGIBILITY

Eligibility for extra-curricular activities will be treated on an individual basis. Students with numerous behavioral issues or those on academic probation plans that require after school tutoring may not be eligible for extra-curricular activities.

DUE DATES

Once a date has been set for an exam, project, or paper the date will not be changed unless uncontrollable circumstances interfere. Furthermore, if a student is absent for an exam, test, or report, he/she must have a written excuse that is acceptable to the teacher or the student's grade will be penalized (ranging from no credit to partial credit at the teacher's discretion). Teachers do not give full credit for tardy work unless circumstances warrant it.

MAKE-UP WORK

When a student returns to school from an absence it is his/her responsibility to obtain work that was assigned during the absence and discuss with the teacher a reasonable date for the work to be completed. If a student does

not comply with this responsibility, his/her grade will be penalized or she/he will not receive credit for missed work. Truant students will not be permitted to receive credit for missed work.

SUMMER SCHOOL

Summer school courses taken by students will be noted on the student's credit standing for graduation, but only with prior approval from the principal. The transcript will be sent to the Kuwait Ministry of Education, along with all other official transcripts, for graduation authentication and approval. Grades earned previously at the American Baccalaureate School cannot be changed by repeating a similar course and passing. Both grades will be noted on the transcript. **No student will receive credit for independent study unless previously approved by the Principal.**

ASSESSMENT

Internal Assessments

All courses begin the year with a pre-assessment of students' knowledge, so that the teacher can more ably guide instruction. Formal and informal assessments in each course are given throughout the year. All teachers are provided with curricular resources that include valid, reliable assessment programs linked to the standards for the course. Department assessment calendars are created to ensure that adequate progress is being made with the year-long plans/scope and sequence.

Semester exams are scheduled at the end of the first and second semesters. The exams will account for 30% of the semester grade for high school students and 25% for middle school students. Students are expected to take semester examinations at the time they are scheduled. The MS/HS Principal will make the final decision on any requests for make-up exams.

External Assessments

Several exams prepared, and in some cases graded, by independent educational testing boards are used at the American Baccalaureate School. These exams allow the American Baccalaureate School to monitor student achievement and the effectiveness of instruction against specific standards and criteria. Many of these exams also allow the American Baccalaureate School to determine student achievement in relation to other students nationally and internationally. These exams are summarized below:

Measures of Academic Progress Examinations (MAP)

The Measures of Academic Progress examinations are designed to measure how well students acquire the skills and knowledge described in the Curriculum Standards. It also provides a norm-reference guide for student progress. The information from these tests is used to diagnose individual student strengths and weaknesses as related to the instruction of the curriculum standards in reading, language arts, and mathematics. The assessment also serves to gauge the quality of

education throughout the school. Students are assessed in the fall, winter and spring.

WriteToLearn (WTL)

WriteToLearn assists students with building reading comprehension and writing skills. The technology delivers consistent, systematic instruction and ensures immediate feedback utilizing the “*Six Traits of Writing*” rubric. Students improve their literacy levels by utilizing the assessment program in English class each month.

Entrance Exam

The Brigance Comprehensive Inventory of Basic Skills is a criterion referenced assessment that identifies a student’s academic level of functioning. All students entering the American Baccalaureate School are given this diagnostic assessment to ascertain their correct placement level and to identify their academic strengths and weaknesses.

ACADEMIC TESTING FOR COLLEGE ADMISSION

The American Baccalaureate School is a designated College Board testing center. Registration forms are available for the tests through the counseling office. Be aware of deadlines and note that registration for TOEFL, SAT, and ACT should arrive at the appropriate office five days prior to designated deadlines.

College Board exams are given in November, December, January, May and June. Please see the SAT registration form for specific dates. All juniors will receive this registration booklet as soon as it is received from the testing agency. The school’s college counselor will meet with each senior at the beginning of the academic year to review the college admissions process. All Senior parents are invited, and encouraged, to make an appointment with the school counselor to discuss the admissions process within the first two months of the school year.

PRELIMINARY SCHOLASTIC APTITUDE TEST (PSAT/NMSQT)

The PSAT is a 2-hour version of the College Board Scholastic Aptitude Test (SAT). It measures verbal and mathematical abilities and is recommended for college-bound sophomores and juniors as practice for the SAT. The PSAT testing date will be announced in the fall. All sophomores and juniors are encouraged to take this exam.

GUIDANCE/STUDENT SERVICES

The Guidance Counselor at the American Baccalaureate School promotes student success, provides preventative services, and responds to identified student needs. This is accomplished with a comprehensive program that

addresses academic, career, and personal/social development for all students.

PowerSchool

PowerSchool, accessible via the American Baccalaureate School website, allows parents to instantly see a student's academic progress at all times. All parents are provided with their own login and password for the website. Parents can view grades, homework assignments, tests, quizzes, attendance, school news, class assignments, calendars, and more online.

CHARACTER EDUCATION

Character education is integrated throughout the school and in the general curriculum. However, there is a concentrated focus during homeroom. The focus is the Six Pillars of Character: trustworthiness, fairness, respect, caring, responsibility and citizenship.

GENERAL REGULATIONS AND PROCEDURES

GATE PROCEDURES

- The American Baccalaureate School is a gated campus. Once students arrive at school they must remain on campus until the end of the school day.
- All gates will be open to student traffic from 7:10 AM until 7:30 AM. After 7:30 AM, students must enter through the main entrance. From 2:30 PM to 2:45 PM all gates are open for student traffic. After which, the only gate open will be the main entrance.
- Activities, and other after-school events, begin at 2:45 PM. All students remaining on campus for these activities must be with a faculty member or in an assigned area.
- After 2:45 PM any student who wishes to enter the school must sign-in at the main entrance and have permission from a faculty member.
- Visitors must enter through the main entrance to obtain a security pass.

DROP OFF AND PICKING UP STUDENTS

Parents and drivers must drop-off students at the appropriate gates. All gates are designated by gender/grade level. Students will not be admitted at other gates.

Gates will be opened for receiving students at 7:10 AM. Do not drop off your child before this time, as the gates will be locked and teachers will not be on duty to supervise students.

In order to ensure the safety of each of our students, students will only be released to individuals who are issued an **American Baccalaureate School identification (ID) badge**. Lost ID badges must be reported immediately. If a badge is lost, only a parent with a Civil ID card may collect the student.

Parents with an ID badge will be allowed to enter the exterior gates at 2:15 PM. However, they may ONLY wait in the parent waiting rooms and cannot enter other areas of campus.

Exterior gates will be opened for nannies, maids, and drivers with ID badges at 2:27 PM. They will be required to wait immediately adjacent to the gate areas at this time. They may not enter the campus without an ID badge.

Students must be picked-up promptly as the school is not equipped to supervise students after 2:45 PM. After-school activities are planned by the American Bacculaureate School professional staff for the time period allotted. Staff members volunteer to oversee these activities. Therefore, students must be promptly picked-up for after-school activities at 3:45 PM. Students who are continually picked-up late may be asked to discontinue the program.

Please be considerate of other parents and students. Do not block gates or park in the middle of the road. Courtesy and obeying traffic rules will ensure an orderly and safe environment.

VISITOR ENTRY

All parents, visitors, and suppliers to the American Bacculaureate School may only gain entry to the school through the main entrance (glass reception area). To protect the welfare and security of students and staff, all school visitors will be required to submit a civil ID card prior to being issued a mandatory visitor badge. All visitors are required to be accompanied by a security escort while inside the campus area.

The final date for parents, drivers, or nannies to enter the gates without an American Bacculaureate School identification card is: October 14.

IDENTIFICATION CARDS AND SECURITY

Each student will be issued a Student ID card prior to September 29. Once issued, it is required that your child bring the Student ID to school daily. The Student ID card will also be used for library check-out, textbook checkout, general identification, and for cafeteria payments, if applicable. The ID card shall be worn around the neck on the lanyard provided. Students will be charged 10KD to replace a lost ID card.

Two ID badges (in addition to the student ID) per household are provided at no additional cost. Additional or replacement badges cost 10 KD each.

To apply for an American Bacculaureate School ID card, submit an application, photos, and payment to the main reception area. ID cards will be ready for pick-up two (2) business days after application submission. Please telephone 2475-0333 with ID card queries.

DELIVERIES TO SCHOOL

The American Bacculaureate School will not accept any deliveries to the school for any student, for any reason. This includes, but is not limited to, meals/food, homework, textbooks, projects, locker keys, etc. The only exceptions are eyeglasses, proper uniform pieces, and medication.

GIFTS

If you would like to show your appreciation to a faculty member, a thoughtful note acknowledging their efforts would be sufficient. If you wish to give a small gift on a special occasion, please do not exceed a cost of 5 KD in your purchase. Any gifts beyond 5 KD in value will have to be returned to the parent in accordance with American Baccalaureate School employee policies.

TUTORING POLICY

We strongly recommend that parents who desire private tutoring for their child to register their child in an after-school learning center. The American Baccalaureate School does not provide referral services for private tutors. The American Baccalaureate School strictly prohibits teachers from tutoring their own students or siblings of their student. This is in direct violation of rules set by the Kuwait Ministry of Education.

TEXTBOOKS

All required textbooks and novels are supplied to students on a loan basis from the school. Students will be required to pay for any lost or damaged textbooks. A book will be considered damaged if it has been written in, ripped pages or otherwise vandalized. School records will not be released until all financial obligations to the school are met.

ELECTRONIC EQUIPMENT

Electronic devices, such as iPods, mobile phones and games, are not permitted on campus, unless required for a class. The first time an electronic item is found on a student, it will be confiscated, delivered to the Dean of Students, and only returned at the end of the school day. The second infraction, the item will be confiscated and only returned to a parent or legal guardian. Further infractions will result in the item not being returned until the end of the school year. Laptops will be allowed where appropriate with principal approval.

TELEPHONES

Office phones are not for student use. However, in the case of an emergency, students may use an office phone with permission from the office secretary. Violation of office telephone usage will result in disciplinary consequences.

SKATEBOARDS, ROLLER BLADES/SKATES, AND BICYCLES

The use of skateboards, roller blades/skates, and bicycles is not permitted on-campus due to the potential danger to students.

LOST AND FOUND

Students who find lost articles are asked to turn them in to the office. Valuable articles will be kept locked in the secondary office until claimed. Unclaimed items are donated to charity at the end of the year.

FIELD TRIPS

The American Baccalaureate School plans several field trips per year for each grade level to enrich the curriculum and provide students with real world learning experiences. Students must abide by the *Honor Code* and all school rules while off-campus. Otherwise, field trip privileges may be suspended.

Field trips are not optional for student attendance. Students are expected to attend. Failure to do so will result in receiving a homework grade of zero for the classes missed.

SCHOOL BUS INFORMATION

To provide safe transportation, the American Baccalaureate School requires students to exhibit self-control and proper behavior while riding a school bus. It is expected that students will remain seated, not eat food, and show respect to fellow students and the bus driver. In cases where students do not follow the expected behavior norms, the following actions will be taken:

1. The student will be warned and the student's parents will be notified.
2. Further occurrences of unacceptable behavior will result in suspension of the student's bus riding privileges.
3. Extreme cases may result in a loss of transportations privileges (or other disciplinary consequences) without warning.

CAFETERIA

The cafeteria operates five days a week to provide nutritious meals for students. The lunch program is optional for all students. Meal items may be purchased with cash or by prepayments loaded onto the student's ID card. Parents may place money onto their child's ID card by making prepayments at the cashier's office located in the school lobby.

- Lunch payments are to be made at the cashier's office.
- Students are not to be in the cafeteria except during lunch or when accompanied by a teacher.
- The pre-paid amount will be credited to your child's account. All meal items purchased by your child at the cafeteria will automatically be deducted from the account.
- Method of Payment is cash only. Refunds are not allowed.
- Minimum Amount: 20 KD; Maximum Amount: 100 KD.
- The student shall carry his/her ID card for identification.
- Parents will be notified when the prepayment amount is at 1 KD.

Lunch menus may be viewed on the school website.

The rules for the cafeteria are very simple and are governed by common sense. Students are not allowed to enter cafeteria between 7.30 am and lunch time, nor between lunch time and 2.30 pm without a written note from office. The rules are as posted in the cafeteria:

1. Food must remain in the cafeteria.
2. Purchase your own food only; do not buy for others.
3. Form a line and wait patiently for your turn without cutting or letting others cut in line.
4. Walk at all times.
5. Treat all supervisors with respect and follow adult directions.
6. Speak in a normal tone of voice and keep your hands to yourself.
7. Reasonable table manners are expected.
8. Each student is responsible for cleaning up his/her own eating space.

Consequences for misbehavior in the cafeteria may include isolation from friends, cafeteria clean-up, loss of cafeteria privileges, detentions, and parent contact, or other disciplinary actions.

NURSES OFFICE

It is vital that school nurse is made aware of any medical conditions your child may have. Parents must notify the office if their child is taking medication, so that it can be properly administered and monitored.

The Nurse's office is open from 7:30 AM to 3:00 PM. If a student becomes ill during the day, he/she should get a pass from the teacher to go to the secretary's office before going to the nurse's office. If between classes, the student should obtain a pass from the next period teacher. Parents will be notified in the event that a student needs to return home due to illness or in cases of emergencies.

If a student needs to spend more than 20 minutes in the nurse's office, they will be sent home. If a student visits the nurse two times in one day or three times in a week, they have a medical issue and will be sent home. In such case, a student will not be allowed back in school without a note from a doctor.

STUDENT UNIFORM POLICY

LOCKERS

Each student will be required to rent a school locker (KD 10). Once payment has been made, the student will be issued a specific locker.

The school administration respects a student's right to privacy. However, all students should understand that school authorities have the right and responsibility to inspect lockers in order to insure the safety and welfare of all students.

As a precaution against loss of materials from lockers, students are urged to keep lockers locked at all times and to not give their key to other students. The school will not assume responsibility for articles that are lost or stolen from student lockers or left outside of the lockers.

LOCKER RULES AND REGULATIONS

1. Students are responsible for the contents of their lockers at all times.
2. Lockers should be locked when not in use.
3. No writing on or attaching stickers, pictures, etc to the outside of the lockers.

8. Damage to your lockers will be assessed and charged accordingly.

9. Continued key loss or damage to lockers may result in a suspension of privileges.
10. At the end of the academic year, lockers must be emptied and keys returned to school administration. Any items found remaining in lockers will be discarded or given to charity.

SEARCHES OF STUDENTS AND THEIR PROPERTY

The school has the obligation to take reasonable steps to protect students from possible harm or to determine involvement of students in inappropriate activities. When any teacher or administrator has reasonable suspicion that a particular student is concealing an object or substance which is prohibited under school policy (drugs, alcohol, tobacco, weapons, electronic devices, stolen property, etc.), the teacher or administrator may ask the student to empty pockets, backpacks, lockers, etc. Failure to cooperate with such a search will constitute insubordination and will be reported immediately to the principal for further action.

ATTENDANCE

Attendance Requirements

- Regular attendance is necessary for academic success and is also a condition for fulfilling credit requirements.
- The Dean of Students will contact the parents of a student that is absent two or more consecutive days.
- Where a student exceeds 7 days absence from a course in a term, except for hospitalization or situations approved by the Principal, his/her grade will be lowered by one full letter grade.
- Students absent from a class for 15 or more days shall receive an "F" in the course.
- It is the responsibility of the student to collect missed work when absent, and if possible, complete it while absent. All remaining work must be completed by the student in a timely manner upon his/her return to school as determined by the teacher (usually within one day of returning, but not to exceed the number of days absent).
- If a student, who is present in class when an assignment, quiz, or test is announced, is absent on the due date, then he/she must turn in the assignment or take the test/quiz on the day they return to school.
- Students absent for more than two consecutive days should arrange with a classmate or contact the school secretary to obtain assignments.

Early Departures

Students who wish to leave school early must bring a note from a parent or guardian requesting an early departure from school. It is preferable that such requests be submitted 24 hours in advance. The request must state the date, time, and reason for the dismissal. The request must also show a telephone number where the parent/guardian can be reached for verification. If at all possible, medical appointments should be scheduled before or after school.

Students excused early shall report to the building secretary to obtain the Permission to Leave Campus form. This form will then be signed by the parent or guardian and turned over to the security desk before leaving campus. This necessitates that the parent or guardian enter the Main Reception to collect the student for early departure.

If a student shows a pattern of excessive early departures, the early departure may be denied. Early departures follow the same guidelines outlined in the attendance policy herein. Therefore, early departures affect the absence count for the missed classes.

Truancy and Leaving Campus without Permission

- Absence from school without parental permission or knowledge is truancy. The truant student will be suspended pending a parental conference. The student will serve detentions equivalent to double the time missed due to truancy.
- The truant student is responsible for work missed on the day of the truancy, but he/she will receive a grade of zero for tests/assignments missed.
- Further acts of truancy will result in out-of-school suspension and disciplinary probation.
- Leaving school without permission or skipping a class will follow the same consequences as truancy.

Tardiness

- Students that are tardy arriving to school will report to main reception to obtain an electronic pass and then report directly to class. Students tardy to class while already at school, report directly to class where the teacher will enter the tardy.
- Students tardy to a class by 15 minutes or more will be counted absent.
- The fourth incident of tardiness will result in one day of detention.
- Continued tardiness will result in loss of privileges
- Additional incidents of tardiness may result in a call home and further consequences, such as Saturday school or suspension.

WITHDRAWAL FROM SCHOOL PROCEDURES

Students withdrawing from the American Baccalaureate School must complete the following procedures:

1. Obtain a withdrawal form from the office at least one week prior to the intended withdrawal date.
2. Have parents fill out their sections of the withdrawal form.
3. Take the form to the various staff members listed on the form for appropriate signatures. After staff members have verified that academic and other obligations have been met, the student should return the form to the office. The school will then be able to process this information and issue a transcript.

SPECIFIC CATEGORIES AND CONSEQUENCES OF OFFENSES

There are four levels of offenses, as follows:

Level II: Misbehavior that results in a referral to the school administration.

Level IV: Misbehavior that results in long-term suspension or expulsion.

FORMS OF CONSEQUENCES

If detention is to be served after school, students will be provided with a notice of the detention to take home and returned to school the next school day with the parent's signature. Students will complete an assigned task during detention. Students who fail to attend detention will be assigned two additional detentions and parents will be called. Any additional missed detentions will result in Saturday School.

Saturday School: Saturday school is from 9:00 AM to 11:30 AM. Students are required to complete assignments and must come in uniform. Students who fail to attend Saturday school will be assigned two additional days. Students tardy to class while already at school, go directly to class where the teacher will enter the tardy.
