

THE AMERICAN BACCALAUREATE SCHOOL

Important Websites for ABS Seniors

This is a very important time in your senior year and there are many decisions to be made. The websites listed below include sites with which you need to register with as well as sites to help provide you with information, processes and suggestions to make this decision and application process as straightforward as possible. Please take the time to visit the sites below and familiarize yourself with what they offer.

<http://www.amideast.org/>

- Register for SAT, TOEFL IBT
- Guideline to study in US
- Educational Service
- English Language and Workforce skills
- Academic and Cultural Exchange
- Institutional Development and Capacity Building

<http://connection.naviance.com/abs>

- Research potential colleges and universities.
- Input SAT and TOEFL scores
- Get information on difficulty of acceptance to universities based on your current GPA and test scores
- View universities other ABS students have been admitted to
- Track your application process with each university you've applied to.
- Official documents (ABS letters of recommendation, transcripts, and secondary school reports can be submitted to most U.S. universities via Naviance!

<http://www.kuwaitculture.com/>

- Contains Ministry of Higher Education's U.S. Scholarship procedures and qualifications plus the current list of eligible universities for MOHE scholarships.

www.collegeboard.com

- Search for potential U.S. colleges and universities
- Take PSAT/SAT practice tests
- Register for the SAT Reasoning Test or SAT Subject Tests
- Send SAT scores to universities

www.ets.org

- Register for the TOEFL iBT
- Send TOEFL scores to universities

www.commonapp.org

- Over 392 U.S. colleges and universities allow you to apply directly to them via this website.
- Once you have created a CommonApp account, teachers can fill out and send their letters of recommendation via CommonApp, and ABS can use Naviance to send transcripts and other official ABS documents electronically to CommonApp universities you've applied to.

<http://www.ucas.ac.uk/>

- Most UK universities require you to apply via this online system.
- You can also search for UK universities and programs using the UCAS website.
